

"to enhance the quality of the golf & social experience of Members & Guests"

MEDICAL LEAVE OF ABSENCE POLICY

A member going on medical leave will be granted a credit for the dues paid through the end of the current golf year. That credit can be applied to a future membership once the member requests reinstatement. A member who is out on medical leave for more than one year can turn that credit into a refund with a written request accompanied by a doctor's letter. If a refund is given that member can request reinstatement twelve months later.
