

AN UPDATE FROM THE BOARD OF GOVERNORS

The Board met on June 15th and we discussed a number of items that we felt were important to share with our members:

- Rules and By-laws are available on the web site, members section. We also include copies of the approved minutes and various reports. Copies of the minutes are posted on the large bulletin board near the lower level entrance.
- Please observe the cart path rules
- Please observe the dress code policy for members and guests
Jeans are allowed in the clubhouse and practice area, however, proper golf attire is required when playing the course.
- Slow play, we have increased staffing on weekends to provide reminders to those who fall behind.
- We are working on a plan to develop an area around the flag pole for those wishing to have a memorial of a past or current member. Anyone wishing to help with this please contact John O'Brien
- Our membership total is encouraging. We are at the closest to having a full membership than at any point in the last 10 years. We are forming a committee to review membership categories, benefits and cost. Anyone interested to serve on the committee, should contact Tony Divincentis
- We have hired an architect, and as of June 15th we have an estimate to rebuild the 2nd green and bunkers. Within the next 2 weeks we will develop a proposal for this as well as rebuilding the 5th tee. This along with payment options will be presented at a Special Founder Meeting.
- The greens committee report regarding course conditions will be included on our website. There are many areas of concern which were addressed by Mike Hughes
- 2 interesting websites members may like to access. First donaldrossfilms.com provides an opportunity to purchase a video of designs and Donald Ross history. Second historicalaerials.com provides aerial photos of 179 Fletcher Street. It shows the changes from 1938 to present day.

One last item, we respectfully request that members, who have an issue or complaint, please do so by submitting the complaint in writing to the appropriate committee chairman or the club president. E-mail addresses are listed and we encourage using this method to submit a complaint, or you can attend a meeting on the 3rd Monday of each month.

Please do not take your complaint directly to employees. They are following the direction of the Board or committee. Yes, we all make mistakes, but they can be corrected without hostility. There have been a lot of changes over the years, and we try our best to make decisions in the best interest of everyone.

In addition to the items above, we have addressed tournament and tee time issues.

Even though we are board members, we also like to enjoy a round of golf, or meal with family, fellow golfers and guests. Please allow us to have our enjoyment and we can address your concern in an appropriate manner.
